### **Clubs Helping Clubs initiative**

ClubsNSW is pleased to announce that the Clubs Helping Clubs initiative will be reactivated in 2026, marking the third successful year of the program. Clubs Helping Clubs aims to strengthen the connections between members by encouraging larger clubs to purchase additional Conference tickets to support the attendance of smaller clubs.

We invite larger clubs willing to participate to join the Clubs Helping Clubs network — your support plays a vital role in ensuring broader participation and representation across our industry. Purchase Clubs Helping Clubs Conference tickets, [here](#). We also invite smaller clubs who are interested in receiving a Clubs Helping Clubs ticket to express their interest [here](#)
